

Garden City Runners: News Release from a Distance 24th January 2021

For those of you on Facebook, keep us updated on your running exploits – and any other news – and do post suggestions of challenges that might appeal to your fellow club members. Please send any content for future releases to results@gardencityrunners.org.uk

Sunday 24th January – officially known as Snow Day!

The snow fell, and it gave us all a much needed distraction, with some runners out an about (safely and socially distancing), either getting caught in the snow, or trying to avoid it. Some deliberately ventured out to get covered in the snow, build snowmen and various snow sculptures!

Run Leaders Challenge

As posted by Rob Jones on GCR Facebook page - it's time for another Run Leaders Challenge. Rob writes: 'It's not an original one, but an excellent challenge that had its first outing at the end of first lockdown. Cast your mind back to a warmer climate, flowers budding and strawberries aplenty. It was the brainchild of GCR's sage and thinker Mr Daniel Pudner. Please

follow the instructions below, and there's a link to all the signs. No cheating on the photos. You may be tempted to post your photos from July, but the vests, shades and surrounding flora

and fauna will be a dead giveaway. We need to see big smiles and cheesy grins. Runners are happy people and like to spread a little happiness. Please adhere to current regulations and enjoy the challenge'

A marriage of town and country... and athletics? There are 9 of these eye-catching new (ish) signs to be found on road entrances to Welwyn Garden City. Featuring an illustration of

Howardsgate by artist Richard O'Neill, the signs were installed in late 2019 in anticipation of the Centenary celebrations. They are located on Ascots Lane, Chequers (A1000), Stanborough Road, Lemsford Lane, Valley Road, Bessemer Road, Waterside, Hems Lane, and Cole Green Lane (B195). You can find the link to approximate locations on this [map](#)

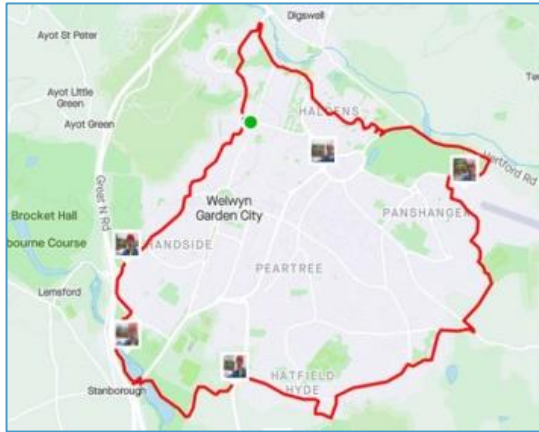

How many can you get to in an hour? Can you see them all in one week?

Unsurprisingly, a number of runners have accepted the challenge already!

Well done to LOUISE BEALE, KATY HEALY, RICHARD SOMERSET, LEE MANSFIELD for finding all 9, and WILLOW GIBSON and JACQUELINE MCCALLUM for finding the first few.

For some, it meant braving the snow and taking photos with freezing cold fingers!

History of the Club

We now have a History of the Club on the website. This has been written by Dick Meredith who was a former Chair of GCR and is now President of the Club. It is an interesting read and a very personal account of the growth of our club.

Really worth a read!

Avery league is back for 2021!

Following a nine-month, pandemic-related hiatus, the GCR committee have brought back the Avery league in a new, flexible, virtual event friendly format for 2021. The emphasis is still on participation, not performance, to give all members equal opportunity to accumulate points, regardless of speed.

Owing to the constantly changing situation, and especially in light of current restrictions, the league will be published as a three month rolling calendar of events, which will initially be virtual. The first five events of the league are as follows:

Number	Date	Event	Venue
1	Late Jan/ early Feb TBD	Virtual GCR 5K	TBD
2	24th February	GCR x-country	TBD
3	4 March	GCR x-country	TBD
4	28th March	Lea Valley half marathon	Cheshunt

Special provisions will be put in place for COVID-related restrictions this year. For a virtual event, as long as the law requires people to remain in isolation when contacted, the following extension applies:

- If you are required to self isolate, you can request an extension of the deadline to complete your run by notifying Richard Somerset (rich.somerset@ntlworld.com) before the end of the original event period;

- The race is run within a week of the end of your isolation period and you must then submit your results to Richard via email.

Covid 19 – All GCRs Please Read the Following:

The advice and guidelines about Covid-19 continue to change. The club is affiliated to England Athletics and the Association of Running Clubs and we follow their guidelines to help reduce the risk of spreading Covid-19.

Please always follow the following advice for your own and others' safety:

- do not run if: you are feeling unwell; if you have any Covid-19 symptoms or have had a positive test; if you are self-isolating for any reason. Always follow any medical guidance you may have received.
- you may run alone, or with one other person
- maintain social distancing at all times including at the start and end of the session.
- no spitting
- try to avoid touching anything eg a gate or stile but if this is unavoidable use hand sanitizer and avoid touching your face afterwards.
- look out for pedestrians, horse-riders, cyclists etc and move to one side to let them pass and maintain social distancing.

Route planning

Struggling to find a suitable route without your run leaders' guidance? Check out the GCR Strava members group for inspiration from your fellow GCRs! Strava have also just realised a route planning feature for Summit members. The following apps and websites also come recommended by club members:

- Footpath (app)/ MapAMeter (online): Editors recommendation! Footpaths and distances across the UK and Europe with a handy "snap to path" feature for the less-diligent route planners amongst us;
- OS Map app – basic version free; if you buy printed maps you can upload them to the app for full features
- Map My Run: Also has others saved nearby routes for inspiration.
- Plot A Route: Same as above.

Happy and safe running everyone!
